<b>Team Discussions</b> We met with each grade level team to discuss the results of the classroom observations. Observations were scribed using questioning types. Percentages were gathered for the percentage of time spent asking either Single-Response Questions, Open-Ended Questions or Engagement Questions, with the ultimate goal being Increased Engagement. Teachers asked 16% single-response questions, 73% open ended fishing questions, and 11% engagement questions.  <b>Teams discussed engagement ideas and challenged to record and scribe 5 min of instruction.</b>	<b>Leadership/Guiding Coalition Discussion</b>
<b>Next Steps</b> 1) Record and scribe 5 minutes of instruction 2) Shift from asking open-ended questions to asking engagement questions 3) Begin asking how can 100% of students be engaged 100% of the time. 4) Create common formative assessments	<b>Next Steps</b>

**REFLECTION:** What did I learn? Based on what I learned, what will have the greatest impact on student learning?

**NEXT STEPS:** What are the actions needed before next coaching meeting?

**AGENDA ITEMS:** Topics for next coaching visit.
