PLC and Continuous Improvement

- Focus on Learning
- Data driven decision making
- Collaborative instructional practices
- Create a “Culture of Success”

What is a PLC?

- “An ongoing **process** in which educators work collaboratively in recurring cycles of collective inquiry and action research to **achieve better results** for the students they serve”

-DuFour, DuFour, Eaker, & Many, 2010

What is a PLC?

What do we want students to learn?

How will we know if the students have learned it?

4 Questions

What do we do if they have demonstrated proficiency?

What will we do if they haven't learned it?
